

NEXT GEN

Developing Philanthropic Leaders

Dear Friend,

Over the past decade, the Next Generation North (Next Gen North) of the Delaware Community Foundation has worked to prepare Delaware’s next generation of philanthropic leaders. Next Gen North does this through education, fundraising, practical application of board procedures, and real-world grantmaking. Over that time, Next Gen North has awarded over \$300,000 to worthy organizations throughout the community.

We are seeking your help so that we can continue our cause. Our signature event is Chips for Charity. This is a high-energy Monte Carlo evening with table games, cocktails, hors d’oeuvres, music, raffle prizes, and a silent auction. Our annual event will be held on Saturday, March 4, 2017 at the Delaware Contemporary on Wilmington’s Riverfront. This event targets well-connected young professionals in Northern Delaware.

We would be pleased to have your participation in this event with an item from your organization on our auction and raffle tables! In addition to helping our organization train future board leaders, this will give your business a unique PR and marketing opportunity to reach hundreds of young professionals and their families in Delaware.

Promotional opportunities include:

- Silent Auction and/or Raffle items prominently displayed at Chips for Charity
- Opportunity to provide promotional materials to attendees
- Listing in advance and post-press, including:
 - o Event promotion emails and invitations to more than 900 supporters
 - o Cross-promotion on Facebook and Twitter
 - o Acknowledgment in event invitation and signage if submitted before print deadline

If interested, please return your item with the attached contribution form by February 15, 2017. If you need to schedule a pick-up or drop off of your item, please contact Katie Soja Johnson at katiesoja@gmail.com OR (302) 563-6830. Your generous contribution is tax-deductible; our Tax ID is:222804785
